### Gefragtes Spanien, beliebtes Russland: Aktuelle Trends bei Studienreisen

Wohin zieht es Studienreisende im Urlaubsjahr 2016? In Europa stehen beim Marktführer Studiosus derzeit die westlichen Mittelmeerländer sowie viele naturreiche Reiseziele wie zum Beispiel Island hoch im Kurs. Auf der Fernstrecke liegen Kuba, Japan, das südliche Afrika und der Iran weiter im Trend.

Portugal etwa liegt bei der Gästezahl zweistellig im Plus. Auch Spanien kann sich aktuell zweistellig steigender Teilnehmerzahlen erfreuen. Entsprechend gehören zwei Spanienreisen zu den erfolgreichsten neuen Europa-Angeboten des Veranstalters. Bei diesen Touren können die Gäste den Norden der Iberischen Halbinsel mit seinen vielfältigen Landschaften entdecken beziehungsweise die Insel Mallorca auf abwechslungsreichen Routen erwandern. Ebenfalls sehr gefragt sind Studiosus-Reisen nach Sizilien.

Der Trend hin zu Spanien, Portugal und Italien hat verschiedene Gründe - unter anderem ein attraktives Preis-Leistungs-Verhältnis. Das westliche Mittelmeer profitiert aber zudem von einer Nachfrageverschiebung, die insbesondere zu Lasten der Türkei geht. Wegen der anhaltend angespannten innenpolitischen Situation und der Flüchtlingskrise muss Studiosus in der Türkei aktuell deutliche Buchungsrückgänge hinnehmen. Von den Auswirkungen der Flüchtlingskrise ebenfalls betroffen ist die Studiosus-Nachfrage nach Griechenland.

Der Norden und Nordwesten Europas dagegen entwickeln sich mehr und mehr zu Trend-Reisezielen. Insbesondere naturreiche Regionen sind dabei beliebt. So steuert beispielsweise Island in diesem Jahr bei Studiosus auf ein Allzeithoch bei den Teilnehmerzahlen zu. Besonders gefragt ist etwa eine neue Islandreise, bei der die Gäste entspannt und mit viel Muße Flora und Fauna der Insel erkunden können. Irland und Skandinavien ziehen 2016 ebenfalls viele Reisewillige an. Ein überraschendes Trendziel: Russland, das in den vergangenen Jahren Buchungsrückgänge erlebt hatte. Aktuell liegt das Gästeplus bei Studiosus hier im hohen zweistelligen Bereich.

Neben Europa gibt es auch auf der Fernstrecke viele Boom-Länder. Der Trend zu Kubareisen aus dem Vorjahr hält an. Auch Reisen ins südliche und östliche Afrika sind beliebt. Ebenfalls stark nachgefragt: Japan, Australien und der Iran.
